

REMARKS

Claims 1-25, 27, and 29 remain in this application, and claims 26 and 28 are cancelled. Reconsideration of the application is requested.

Claims 4 and 23 are rewritten in the manner referred to by the Examiner in section 21 on page 14 of the Office Action and should now be allowable. Dependent claims 8 and 24 are allowable as well.

Each of independent claims 1, 18, 19, and 25 specifies that the luminous body is mounted on the basic body by way of a guide and is secured in a desired position on the basic body by way of a connection. These claims, therefore, reflect some of the limitations of presently allowable claims 4 and 23, but do not require the particular "dovetail" guide or "detent" connection. It is respectfully submitted that claims 1, 18, 19, and 25 are allowable for the same reasons as claims 4 and 23. Dependent claims 2, 3, 5-7, 9-17, 20-22, 27, and 29 should be allowable as well. All claims remaining in this application, therefore, should now be allowable.

Should the Examiner have any questions after considering this Reply, the Examiner is invited to telephone the undersigned attorney.

Respectfully submitted,

Date: July 30, 2004
